### Kahn Adds to Staff

Birmingham, Alabama, July 7, 2008 – The Albert Kahn Family of Companies (Kahn), a leading provider of architecture, engineering, planning, design and management services, welcomes the following new employees to its staff:

**Kelli Collins** joins the firm as an intern interior designer. In this capacity, she will assist in developing furnishings packages, fabric selections and other interior design services for a variety of clients. Collins earned a bachelor of human environmental sciences in interior design from the University of Alabama. Collins is an active volunteer as a member of the American Cancer Society's Relay for Life.

Bringing with her over eight years of experience, **Tabitha Siqueira** joins Kahn as a senior interior designer. In this role, she is responsible for assisting in the coordination of current projects from initial conceptual design through construction administration. Siqueira earned a bachelor of applied arts in interior design from the Southern Institute School of Interior Design and an associate of applied science from Virginia College at Birmingham. She is a member of the International Interior Design Association and the National Alpha Beta Kappa Honor Society of Alabama and often speaks to local elementary school students about the interior designer profession.

**Adam Woodward** joins Kahn as an intern architect and is assisting on the design development, construction documentation and construction administration for a variety of projects. Woodward's experience encompasses the retail sector, landscape renovations for city parks, and design/build housing for the needy. He earned a bachelor of architecture from Auburn University and a bachelor of finance from the University of Alabama at Birmingham.
